### **PLEASE READ:**

**If you have made any purchases for craft supplies or special snacks please make sure you give me the receipts so I can fill out a form for you to get your money back. Don't forget to take up an offering ... it's a good practice for them plus it's great for us to have the money for our sponsor child. Please be advised that the schedule may have some changes along the way due to someone being sick or away. I will make sure you receive a revised schedule when this happens. Let me know of any needed changes on your part. There will be a duplicate Leader's Manual and the Reproducible book as well as posters for games, etc. in the binder in the Leader's Cupboard.**
